Student Engagement is Key

Transition Year

Transition Year

Transition Year (TY) is a one-year programme that forms the first year of a three-year senior cycle in many schools. It is designed to act as a bridge between the Junior Certificate and Leaving Certificate programmes. It is available to all second level schools and currently approximately 75% of schools offer the programme. Transition Year is optional for students in most schools and is an option for students in St. Farnan's.

It is strongly recommended that students consider taking part in TY in order to avail of the many opportunities it offers for their personal, social, academic development.
