RE: Incoming 1st year students 2023/2024

4th July 2023

Dear Parents/Guardians & Incoming 1st year students,

We look forward to welcoming your son/daughter to St. Farnan's Post Primary School on Friday 25th August 2023 from 9am. We are prioritizing our incoming 1st year students and will spend 2 days at the start of the new term running our **induction programme** with our 142 new students whereby they will get to know their tutors and Year Head, all our staff, our school procedures, the school building and each other. No other students will be in school on this Friday or Monday so I'm sure our new students will enjoy and get to know each other in their tutor classes.

After a very busy final term including the completion of the Summer Assessments, the wonderful TY & 6th year graduation ceremonies, the first ever End of Year Awards Ceremony for all the remaining year groups, many fun-filled school tours, a blisteringly competitive and fun Sport Day and each day full of participation and achievement, it is now time to communicate our plans for the 2023-24 school year. The State Examinations have now concluded and have run smoothly and I would like to complement our Junior Cycle and Leaving Certificate students on their excellent work ethic, support and appropriate behaviour during the examinations.

It is important to remember to pass on your most up-to-date mobile number to our front office and another emergency mobile number if possible, as use of **SMS messaging** is necessary for communication with you. If you have not been receiving texts from school, this is a priority please. Parents and guardians will be able to access their child's profile on **VShare**, our School's Management Information System whereby you will be able to see your child's attendance, punctuality, all school reports and behaviour issues going forward.

The following information will help with your planning for your son's/daughter's start to second level school this August.

School books for each student are partly funded by parents/guardians and the remainder is funded by the grant that we receive annually from the Department of Education's **Book Rental Scheme** which is successfully run by Ms Pamela Bracken. Each student will receive their books and also a **locker and combination lock** which will be handed out to students during their initial days in school. All students will be helped organise their locker and new combination lock by staff and student 5th year mentors & 6th year prefects.

The **Annual Student Contribution payments** includes payments for all school books (it does not cover pencil cases, pens, copies etc.), our administration fee, 24 hour/365 day student insurance, student lockers & lock hire and includes our student journal also and is significantly less than many other local schools. We are very thankful that parents/guardians consistently fund these amounts in full through our Way2Pay on-line payment system. A text has already issued and explanatory notes are available through this link to set yourself up in this pay system:

I would like to thank the Department of Education through their Book Rental Scheme for allowing us to keep the cost of school book purchases to a minimum for all families. Payments can also be made in instalments through this system. **Contribution for a 1st year student is €225**. There are concessions for twins, medical card holders etc. Please email if you have any particular query to info@stfarnans.ie
